

EVENT HOST

The Construction Management Association of America (CMAA) Gulf Coast Chapter is dedicated to leading the growth and acceptance of construction management as a professional discipline that can add significant value to the entire construction project delivery process, from conception to ongoing operation. The proceeds from the golf tournament are to provide scholarships for students going into the construction management field.

The CMAA Gulf Coast Chapter is hosting its 5th Annual Golf Benefit with all proceeds going to fund CMAA Gulf Coast Chapter scholarships. The CMAA Gulf Coast Chapter is a Louisiana Registered 501(c)(6) nonprofit and has awarded scholarships annually since 2012 to aspiring college students enrolled in a degree program in the region leading toward a career in construction management.

In past years, the CMAA Gulf Coast Chapter awarded scholarships totaling over \$6,000 and looks to continue to increase this amount in 2017.

Join us, Saturday April 1st - *no fooling* - for the best food and fun you will ever have at a golf tournament (actually a New Orleans food festival with a golf game squeezed in). We'll have lunch before tee time along with food and beverages on the course throughout the day, including grilled oysters! A hole-in-one can win you a brand new Toyota!

A Traditional Louisiana crawfish boil with all the trimmings, plus local music, follows the tournament and serves as the back drop of our awards ceremony and prize raffle results. If you can't make it for the golf tournament/food fest, fly in a few hours early and join us later Saturday afternoon for the crawfish boil. It will be a very relaxed atmosphere where you can eat, drink and network with conference attendees, Louisiana style.

You've heard the stories, now come "pass a good time" and make your own New Orleans memories with us!

LAISSEZ LES BON TEMPS ROULER!
